WHITSUN REGATTA 2018 SUPPLEMENT TO SAILING INSTRUCTIONS

To include: The RBYC Inter-Club Cigarette Box Trophy for predicted log on Bank Holiday Monday May 28th 2018

Motor Boats

The contest will be governed by the International Regulations for the Prevention of Collisions at Sea, the Crouch Harbour Authority bye-laws, the Notice of Race and the Sailing Instructions previously published and this amendment. The Sailing Instructions prevail over the Notice of Race when they conflict.

A predicted log contest is an exercise in navigational skills where the contestants predict in advance the times necessary for their boats to complete a predefined course. It is not a speed contest, each contestant chooses a speed for their own boat, which is comfortable and safe. The objective of the contest is to complete the course in as close as possible to the predicted time without adjusting the throttle after the start, and the winner is the boat, which has the lowest percentage time error.

Predicted log entries must indicate the predicted time for the vessel to complete the course. This predicted time should be communicated to the race box on Channel 37 or by mobile phone (07768 175774) prior to the Warning Signal.
